

REMARKS

This amendment is in response to the request by the Examiner during a telephone conference on January 8, 2010. More specifically, the Examiner requested that the Abstract should be amended so as to be shortened. This has been done by, for example, deleting reference to specific pressures and by deleting optional steps. If the Examiner still believes that the Abstract is too long she is requested to telephone the undersigned attorney and a further modified Abstract will be provided.

Dated: January 8, 2010

Respectfully submitted,
